## WELCOME TO MOLOKANS

## REV. J. M. LYDGATE HELD SPECIAL SUNDAY SERVICE

WHAT WAS THOUGHT TO BE A SONG PROVES RECITATION OF SCRIPTURES IN CONCERT. GOOD IMPRESSION.

Lihue, Kauai, March 5.—By special arrangement of Rev. J. M. Lydgate, the Hawaiian Church and community at Kapaa held a service of reception for the Molokans on Sunday afternoon, Feb. 25. At a little after the appointed time the Pilgrim Band, in garments decidedly medieval, to the number of forty-five or fifty men, women and children, trudged down the hill and filed into the church, the greater part of which had been reserved for them. Here they were greeted by enthusiastic hymn of welcome, followed by a short address from Mr. Lydgate, extending to them a cordial Hawaiian welcome, than which nothing could be more generous, and a similar address from the pastor of the local church, Rev. I. K. Kana'olu, who dwelt on the significance of the word "Aloha" and emphasized its fitness for the present occasion.

Strained through two interpreters, not quite sure of their ground, Hawaiian eloquence, it is to be feared, lost much of its substance and all of its fire.

The most interesting feature of the occasion was the singing or chanting of the Molokans themselves. It was mostly in a minor key, weird and strange. Starting feebly and timidly in a few centers and then swelling and gaining volume until it was fairly tumultuous and threatened to run into music, then dying away into a discouraged wail as most of the singers dropped out. It was a cross between a chant and a round of many parts; it was a sort of endless chain of music, of a "go-as-you-please" kind, with wild entrances and exits that threatened to wreck the whole movement.

And yet there is no denying the fascination of it, so that every one was sorry when the lengthy chant was over. It proved afterwards not to have been a hymn at all, but the chanting of a lengthy passage of scripture. The Molokans intend soon to build a church of their own. They have three services on Sunday, at 7:30 a. m., 12 m. and 4 p. m. They are evidently very much at home in the Bible, responding immediately to the words of welcome by referring, by chapter and verse, to a strikingly appropriate passage in Paul's letter to the Thessalonians.

They impress one favorably as a serious yet responsive and kindly people, slow perhaps, yet sure men of brawn and muscle rather than brain—and not troubled with nerves.

## KENNEDY GOES FROM MANILA TO JAPAN

The Manila Times of Feb. 9 publishes the following regarding J. F. Kennedy, well known in Honolulu and at one time business manager of the Honolulu Republican.

Mr. J. F. Kennedy, business manager of the Far Eastern Review, has tendered his resignation, and will leave for Yokohama in a few days to reside permanently there, where he has secured a long lease of the Japan Daily Advertiser, the most influential newspaper in Japan.

Mr. Kennedy has been in active newspaper work in Manila for the past four years, and has won the respect and confidence of the business community.

During his connection with this paper Kennedy proved himself a valuable man by his close and conscientious attention to his duties.

When seen this morning by a Times representative, Mr. Kennedy expressed regret on leaving his field of labor here, but stated his principal reason for his departure was the fact that his wife who has been on the coast for the past twelve months, cannot reside in these islands and retain her health, and as he saw a splendid opportunity in Japan, during his recent trip, for advancing American journalism along

modern lines, he decided to make a change, and sacrifice his interests here.

When asked his opinion as to American journalism in Japan, Mr. Kennedy replied that as a people the Japanese are very eager to learn English and keep in touch with world-wide topics, as commented upon by American papers, which they recognize today as the foremost in the world.

The Pacific Commercial Cable Company expect to have their line from Guam to Yokohama in operation by April 1, which Mr. Kennedy states will put Japan in much closer touch with the United States, and enable him to give his readers a splendid cable service.

The Times joins with Mr. Kennedy's many friends in wishing him success in his new field of enterprise.

## KAUAI KNOCKER KNOCKS

The Garden Island has the following comment: "Say," said the old coddler as he poked his head through the little window above our desk. "I hear that they are going to increase the membership of the Band from twenty-five men to forty, and send them on a tour through the States to advertise—Honolulu Well, I want to go on record as being 'agin' it." "Better let the people who are taxed for its support do the kicking," we replied.

"Not taxed, hey! How about that Income Tax deal? That pays for the big ticket several times over. But as I was on the point of remarking, I hope they will make 'Chevy' Cohen put up a good, healthy deposit to insure their return. In my humble opinion the Band is not nearly so good as it was twenty years ago, and they do not play well enough for the cities, and could not possibly pay expenses in the country towns. They play badly enough now, but just imagine being shut up in a hall with them after fifteen greenhorns have been added! As it is strictly an open-air organization, and lamentably weak in drums, I would respectfully suggest that the proposed increase include one bass drum and at least two snare drums; then when there is a discord, or the harmony norms lag behind, it will not be so noticeable. Hawaiian classics should be rendered as often as possible, such as 'Tomi-Tomi,' 'Mauli Giri,' etc.

"By the way, I hear my friend Kapelmester Berger is here at work 'composing' a Governor March, to be played when His Excellency returns. 'It is to have all the fiery dash and swing of 'Pedro' and 'Steamer Day' marches and the words surpass all of his previous best efforts. The first verse is as follows:

"Garter, Garter, Garter has come back!" "Band! Rackety, crackety, blif, boom bang!" "Whack! whack! whack!" "See 'Chack,' our 'Chack,' mit a smile dot was painful und sad—" "He tries to look glad, but you bet he was mad."

"Ven 'George' came back. Band—Blif! Bang!!! Whack!!! "The other verses touch the same high level, and, married to an immortal melody, will undoubtedly make a great hit."

"Seriously, what the Promotion Committee ought to do is to have at tractive folders printed for the hotels, and do a lot of good magazine advertising. Silly 'catch phrases,' and the playing of a third-rate band will never bring anybody to the islands."
